Scope

Project Scope	Release Megadyne Megasoft pads product codes after transferring to GMI Solutions. This change will require mod code change from 02 to 03.
----------------------	---

Product Name and Codes	Refer to Attachment 1 – Megadyne Product Codes
-------------------------------	--

Product Category	The identified product code(s) are a Category <u>E</u> per CP0235 .
-------------------------	--

Responsible Areas	The following functional areas have been identified as those responsible for deliverables:
--------------------------	--

Functional Area	Strategy/Deliverable (Content or Reference)	Person Responsible
Product Management	PMDS update	Jerry Habig
	- 0800 Megadyne Product Master Data Specification (SPE003892)	
	- 0825 Megadyne Product Master Data Specification (SPE003894)	
	- 0830 Megadyne Product Master Data Specification (SPE003895)	
	- 0835 Megadyne Product Master Data Specification (SPE003897)	
	- 0840 Megadyne Product Master Data Specification (SPE003899)	
	- 0845 Megadyne Product Master Data Specification (SPE003901)	
	- 0846 Megadyne Product Master Data Specification (SPE003903)	
	- 0847 Megadyne Product Master Data Specification (SPE004286)	
	- 0848 Megadyne Product Master Data Specification (SPE004288)	
	- PKIT001 Megadyne Product Master Data Specification (SPE003989)	
External MFG	CR 10303	John Minuth
	- Provide evidence of completion for deliverables of CR 10304	
External MFG	PCO release	Felix Gutierrez
	- Mega 2000 (0800)	
	- Mega 2000 Sheath Assembly (0825)	
	- MegaSoft (0830)	
	- MegaSoft Dual (0835)	
	- MegaSoft Pediatric (0840)	
	- MegaSoft Universal (0845)	
	- MegaSoft Universal Dual (0846)	
	- Mega Soft Universal Plus (0847)	
	- Mega Soft Universal Plus Dual (0848)	
	- MegaSoft Repair Kit (PKIT001)	

SCN078740

External MFG Supplier Quality	Finished Good Specification	Thomas Wittmann
