## Scope

|                      |   |
|----------------------|---|
| <b>Project Scope</b> | Megadyne product labeling is being updated to meet the international labeling requirements in order to distribute Megadyne product globally. These labeling changes will require a product mod code change from 01 to 02. |
|----------------------|---|

|                               |  |
|-------------------------------|--|
| <b>Product Name and Codes</b> | Refer to Attachment 1 – Megadyne Product Codes |
|-------------------------------|--|

|                         |  |
|-------------------------|--|
| <b>Product Category</b> | The identified product code(s) are a Category <u>E</u> per <b>CP0235</b> . |
|-------------------------|--|

|                          |  |
|--------------------------|--|
| <b>Responsible Areas</b> | The following functional areas have been identified as those responsible for deliverables: |
|--------------------------|--|

| Functional Area | Strategy/Deliverable (Content or Reference)  | Person Responsible |
|-----------------|--|--------------------|
| Life Cycle      | CN 174316  | Brian Bertke       |
|                 | - Mega Soft Pad Label Artwork (500450317, 500450318, 500450790, 500450835, 500450836, 500450837, 500450843, 500450844, 500451981, 500451984, 500451988, 500451993, 500451995, 500451996, 500451997, 500451998) |                    |
|                 | - Mega Soft Pad IFU (500450330, 500450838, 500450845, 500451994, 500451999)  |                    |
|                 | - Mega Soft Pad ENG DWG (0847, 0848, 0847S, 0848S, 0845, 0846, 0845S, 0846S, 0840, 0840S, 0830, 0835, 0830S, 0835S, 0800, 0800S)   |                    |
